

5. Results, Planned Actions, and/or Actions Taken

Faculty discourse captured during the norming session; the rubric score and scale; interpretation of the score; and plans to enhance student learning. \*

Results, Planned Actions, and/or Actions Taken  
Results showed that the overall mean rubric score was 3.2. All outcomes on the rubric scored above the 3.0 milestone, with the exception of outcome A1.5. Below is a table that includes coverage of 2.9. Our research highlights that additional analysis was required after discussion of the rubric area (from the AY14 assessment). It is likely areas

of strength, including use of supporting materials (outcome A1.6) and ethical purpose noted that audience analysis and adaptation (A1.3) was a strong point.

Faculty Observed several (outcome A1.2). It was also
